

Corresponding Secretary Report 2022/2023

In my role as Corresponding Secretary I have:

Monitored the info@bcplaytherapy.ca email

Responded or forwarded emails relating to membership, training, credentialing, parents looking for a play therapist, regulation of social workers, queries related to the upcoming workshop and queries from other board members.

Coordinated a clear-out of our storage locker.

Attended board meetings.

Assisted in the running of educational events.

After 10 years on the Education Committee and the board of the BCPTA I am stepping down. This has been a very rewarding chapter in my life both personally and professionally. Thanks to everyone who contributes to making this organization a great place to grow and learn.

Respectfully submitted,
Janet Waines
