

Vice President Report: September 2024 to June 2025

My role in the BCPTA includes preparing and organizing our meetings and providing support on the day of our workshops. I've also had the opportunity to work closely with the Education Committee in planning upcoming events, and I've attended four Education Committee meetings this year.

From September to June 2025, we held nine Board meetings. Before each meeting, I send a reminder email with a request for agenda items, prepare the agenda, and share it with members ahead of time to help keep us organized and focused.

At workshops, I assist the Education Team by helping with setup, coordination, and anything else needed to make the events run smoothly.

Additionally, I serve as the Gratitude Coordinator for the BCPTA. In this role, I organize and send out expressions of thanks on behalf of our association, helping to recognize and celebrate the many individuals who contribute their time, energy, and expertise to support our community.
